

Office of Curriculum and Instruction and *Department of Libraries*

We are proud to announce Tornillo ISD will be having a Reading Fair. This competition will provide students with the opportunity to share their favorite fictional or nonfictional book through a storyboard or digital media display. As a result of participating in this process, students will experience a deeper enjoyment for reading and develop a lifelong love of reading.

Storyboards:

Size

- Storyboards should be constructed on a standard tri-fold project board that unfolds to be 36" H x 48" W. This board is the same type that is traditionally used for science fairs.
- Digital-no more than 10 slides.
 - Google Slides
 - Power Point
 - Canva
 - Wakelet

Display

- Storyboards should be colorful and interesting. Models and illustrations that fit in the middle of the display are allowed. The total project should not exceed the width or depth of the standing display board (approximately 36" W x 14" D of table space). Items on the boards may be handwritten or typed.

Safety

- Electrical cords are not allowed at any level of competition due to the danger they create in the aisles.
- No items should hang over the edge of the table or be placed on the floor. However, students may hold or wear items that coordinate with the project, if desired. Items used for the project are not to be alive, valuable, or dangerous.

Categories

- Students can share their favorite nonfiction or fiction book.
- The student(s) should be very knowledgeable about the book's story elements and should have an active part in the construction of the display or presentation.

Note: Remember the school's librarian is an excellent resource for determining the genre of the book selected. (fiction or nonfiction)

Competitions

The Reading Fair will take place March 1-5th through Coyote Class. We will inform you of the day of the competition through your Coyote teacher.

- The first place winner of each category division (nonfiction and fiction) will compete for first place prize, a 32" Television. Other prizes will be awarded.

Due Dates

- **Step 1-3** due February 4th
- **Step 4-5** due February 12th
- **Step 6-7** due February 19th
- **Step 8-9** due February 26th
- **Competition** March 1st-5th (3-5 minutes per student)
