

Digital Academic Initiative Handbook

Introduction

Tornillo Independent School District is taking the next steps in ensuring that all students are equipped with 21st century digital knowledge and skills. The digital academic initiative will give students the tools required to research, produce, and communicate information. This program will also increase access to digital curriculum, libraries, resources, eventually replacing traditional print textbooks and paper materials.

Introduction

El Distrito Escolar Independiente de Tornillo está dando los siguientes pasos para garantizar que todos los estudiantes estén equipados con conocimientos y habilidades digitales del siglo XXI. Esta iniciativa académica digital brindará a los estudiantes las herramientas necesarias para investigar, producir y comunicar información. Este programa también aumentará el acceso al plan de estudios digital, bibliotecas, recursos, y eventualmente reemplazará los libros de texto impresos tradicionales y los materiales en papel.
