- Parent-teacher conferences
- Spring/Fall
- Science Fair
- Reading Fair
- Career Day
- Fall Festival
- Parent Resource Center located in the main office

What is a Parent-School Compact?

The Parent-School Compact is an agreement between parents, students, and teachers to promote collaboration and communication.

It explains how parents and teachers will work together to ensure that all our students meet grade-level standards. Meetings will be held each year to review the compact and make changes based on student needs. An effective compact:

- Aligns with the school's improvement plan goals
- Focuses on student learning skills
- Describes how teachers will help students develop skills using high-quality Tier I instruction
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress
- Explores opportunities for parents to volunteer, observe, and participate in the classroom.

Our Mission

Empowering our learning community to live their purpose by honoring values & beliefs for a holistic postsecondary journey.

Visión

Believe we can succeed; with pride we will achieve.

TISD Parent Resource Center

Monday – Friday Hours 8:00 – 5:00
Central Office

School-Parent Compact

TORNILLO INDEPENDENT

SCHOOL DISTRICT

Educating children today to be the leaders of tomorrow.

Student Progress Goals

District Goals

- Uses resources wisely and transparently to boost student success
 - Encourages parent and community involvement in educational decisions
 - Builds and supports a passionate, committed team focused on student well-being
 - Fosters a positive, high-expectation environment for all
 - Communicates effectively across the district and community
 - Enhances learning with modern technology and real-world training
 - Oversees safe, long-term planning for facilities and equipment
-

School Goals

Tornillo School will increase the percentage of students (in grades Pre-K through 8th) performing at grade level in:

- Reading Comprehension
- Writing
- Math
- M-Class, I-Station

Working Together- Teachers, Students, & Families

In the Classroom

Teachers will work with students and their families to support student success in reading fluency, comprehension, and fluency with math facts.

Teachers will provide families with:

- More opportunities and activities for students to practice public speaking
- A weekly reading book with incentives to motivate students to read at home
- Weekly skill practice questions to work on with students at home
- Materials to practice math fact fluency with students at home
- Information about schoolwide events to learn academic strategies for supporting students at home
- Virtual reality experiences for college preparation
-

Students will make sure to:

- Take home a reading book and use the provided resources
- Bring home leveled texts and reading comprehension questions
- Have materials at home to practice math fact fluency & reading fluency
- Write daily in a notebook

At Home

Parents will be able to:

- Read the provided book for 20–30 minutes a day
 - Practice math facts for at least 10 minutes a week
 - Attend school events to learn academic strategies to use at home
 - Limit non-educational technology
- Communicate with their child's teacher to find out about student progress
- Ensure their child attends school regularly
